Federal Election Commission
Attn: Kevin Fortkeiwicz

Item 1: Our committee uses multiple independent contractors to raise funds for the committee and contractors who perform various consulting services for the committee. These contractors appear on Schedule B for various types of professional consulting and fundraising services, including commission for funds they raise for the committee.

Item 2: We have added the \$76,406.41 owed to Russo Marsh & Associates to schedule E as memos.

Item 3: Line 24 reports \$95,337.80, that is the amount of Independent Expenditures paid during the period. The additional \$34,782.97 where intended to be MEMOs for independent expenditures that were paid for Schedule D during the period and were included on schedule e and schedule D. Our software was incorrectly pulling items for schedule E and we had to edit out file for filing, the memos should have been for \$76,406.41

The amendment now reflects:

\$58,295.91 - Independent Expenditures paid this period

\$37,041.89 - Independent Expenditures from Schedule D paid this period, incurred in prior Period

Total Paid for Line 24: \$95,337.80

MEMOs: \$76,406.41 - Independent Expenditures Memos from Schedule D incurred this period and unpaid

Item 4: We have Provided State information Schedule E for single state items. The state for multi state items was previously provided form 99s.

Item 5: We have updated schedule E to show the dates in the instances where they were cut off.

Thank you.
